

## Muddy Cups on Sunset

Paul Wall

Pour that shit up homie  
Hey man don't spill that shit though  
Fill it to the top though you know what I'm saying?  
Light that shit man fuck the cops

Muddy cups on Sunset  
Getting money till the sun set  
Leaving when the sun rise I ain't done yet  
Bet on me losing that's a dumb bet  
Flexing on a cheque, student loan on my neck  
Everybody break their neck but I ain't even break a sweat  
[?] off in the Feds he just called collect  
My left wrist got more diamonds than a full deck  
Coming from the San Fernando lit up like a candle  
B-Real hit me with a sample, hit the wax it's hard to handle  
Shout out to the pan-handle we don't pan handle  
Plottin' on the scandal, why you wit yo gal, wit your scandal

Muddy cups on Sunset  
Gettin' money till the sun set  
But even when the sun rise I ain't done yet

I got more pints than an Irish pub  
I got my cookie straight from burner this ain't overdub  
I got more gallons than a bath tub  
Better yet a whale tank, where you think I'm from  
Work the wheel they goin' dumb  
Clothes covered in Kush crumbs  
I'm sittin' low, you low on funds  
RIP Big Pun  
Before I smoke, I bake the blunt  
Free slab king call it blunt  
Free Fishy, and nah that ain't no church fry  
Double knotting and I ain't talking bout a tucked shirt tie  
I'm certified til pigs fly  
Slab God, slap the vicious, satellite supply
