

Clive's Song

Paul Weller

You run around this whole wide world
And can't get away from the blues
You can run all day, run all night
You can't get away from the blues

I'm feeling so fine
I'm feeling so fine
I'm right out of my mind and
I'm feeling so fine
I'm feeling so fine

Another drink in my glass
Leave all my troubles behind
Relax just a night and by tomorrow
Sure things will turn out fine

I'm feeling so fine
I'm feeling so fine
I'm right out of my mind and
I'm feeling so fine
I'm feeling so fine

You see me now, you think I'm happy
You sure don't know my mind
You see me laugh, you see me cry
I'm laughing just to keep from crying

I'm feeling so fine
I'm feeling so fine
I'm right out of my mind
I'm feeling so fine
I'm feeling so fine

You run all around this whole wide world
You can't get away from the blues
You can run all day, run all night
You can't get away from the blues

I'm feeling so fine
I'm feeling so fine
I'm right out of my mind and
I'm feeling so fine
I'm feeling so fine
