

# Nothing

Paul Weller

Us & we  
We had nothing  
We came together by  
Having nothing

Nothing forged our love  
Out of nothing  
Because it was only by  
Having nothing  
We were able to realise  
We needed nothing else  
But each other

Walking back through  
The silver trees  
The light summer's  
Evening breeze  
Across my face  
To a time and place  
Then it was gone, gone

Walking back through  
The silver trees  
The light summer's  
Evening breeze  
Across my face  
To a time and place  
Then it was gone, gone  
It was gone, gone

Us & we  
We had nothing  
We came together by  
Having nothing else  
But each other  
But each other
