

# Testify

Paul Weller

Gotta take a double shot  
Gotta take a chance  
Gotta get your lamp to light

Gotta stand tall  
Gotta walk the line  
Gotta give till you get it right

Get up and testify (Get up and testify)  
Straighten up and fly (Straighten up and fly)  
Don't need a reason why (Don't need a reason why)  
Get up and testify (Get up and testify)

Shoo-doo-be-doo  
Shoo-doo-be-doo  
Sing it all night long  
Shoo-doo-be-doo  
Shoo-doo-be-doo  
And let your mind roll on, yeah, yeah

Gotta take a-what you need  
Use up what you got  
Use it up and throw it away

Gotta stand tall  
Gotta walk the line  
You gotta give till you get it right

Get up and testify (Get up and testify)  
Straighten up and fly (Straighten up and fly)  
Don't need a reason why (Don't need a reason why)  
Get up and testify (Get up and testify)

Shoo-doo-be-doo  
Shoo-doo-be-doo  
Sing it all night long  
Shoo-doo-be-doo  
Shoo-doo-be-doo  
And let your mind roll on, yeah, yeah

Get up and testify (Get up and testify)  
Straighten up and fly (Straighten up and fly)  
Don't need a reason why (Don't need a reason why)  
Get up and testify (Get up and testify)

Shoo-doo-be-doo  
Shoo-doo-be-doo  
Sing it all night long  
Shoo-doo-be-doo  
Shoo-doo-be-doo  
And let your mind roll on, yeah, yeah
