Evergreen

Paul Williams

Love soft as an easy chair
Love fresh as the morning air
One love that is shared by two
I have found with you

Like a rose under the April snow
It was always certain love would grow
Love ageless and evergreen
Seldom seen by two

You and I will make each night a first
Every day a beginning
Spirits rise and their dance is unrehearsed
They warm and excite us 'cause we have is the brightest love

Two lights that shine as one
Morning glory and the midnight sun
Time we've learned to sail above
Time won't change the meaning of
One love ageless and ever evergreen
