

# Mornin' I'll Be Movin' On

Paul Williams

I'm not the type to hang around  
Chasing shadows  
When the sun has gone  
Once again I'm leavin'  
Mornin' I'll be movin' on

I've made myself a way of life  
On tomorrows  
Holding something new  
Try to understand me  
Deep inside I'm much like you

Long as I can touch somebody  
Make them laugh instead of cry  
Save my tears until tomorrow  
I'll pass them by, I've got to try

I've had my share of broken dreams  
And I've noticed  
That you've had yours too  
You should understand me  
Deep inside I'm much like you

Long as I can touch somebody  
Make them laugh instead of cry  
Save my tears until tomorrow  
I'll pass them by, I've got to try

I'm not the type to hang around  
Chasing shadows  
When the sun has gone  
Once again I'm leavin'  
Mornin' I'll be movin' on  
Movin' on
