

## Old Souls

Paul Williams

Our love, is an old love baby  
is older than all of our years  
I had seen in strangers eyes  
familiar tears  
We're old souls, in a new life baby  
they gave us a new lifeto live and learn  
some time to touch old friends and still return  
Our paths have corssed and parted, this love  
affair was started long... long ago  
this love survives the ages  
in its story lives are pages... filled them all  
made all slow  
oh oh oh  
Our love is stronger baby  
we give it all and still receive  
and so in empty arms  
we must still believe  
Old souls last forever  
so we need never fear a goodbye  
A kiss when i must go  
no tears.....  
in time, we kiss..... Hello!
