

Rainbow Connection

Paul Williams

Why are there so many songs about rainbows
And what's on the other side
Rainbows are visions, but only illusions
And rainbows have nothing to hide
So we've been told and some choose to believe it
I know they're wrong, wait and see

Someday we'll find it, the rainbow connection
The lovers, the dreamers and me

Who said that every wish would be heard and answered
If wished on the morning star
Somebody thought of that and someone believed it
Look what it's done so far
And what's so amazing that keeps us stargazing
And what do you think we might see

Someday we'll find it, the rainbow connection
The lovers, the dreamers and me

All of us wonder its spell
We know that it's probably magic

Have you been half asleep, and have you heard voices
I've heard them calling my name
Is this the sweet sound that calls the young sailors
The voice might be one in the same
I've heard it too many times to ignore it
It's something that I'm supposed to be

Someday we'll find it, the rainbow connection
The lovers, the dreamers and me
