

## Time and Tide

Paul Williams

Time and tide  
Your rolling rhythms  
Are the music of my past  
Hard times move slowly  
While the good times move so fast  
The good times move so fast

Roll on time and tide  
Your summer sunlight  
Seems to melt away disguise  
Reflects the woman waiting  
In a young girl's eyes  
In a young girl's eyes

And love  
There is love enough for two  
In every mornin'  
Come let us taste it  
Find the love  
In a life so quickly through  
An April warning  
We must not waste it

Time and tide  
I've watched your perfect sunsets slip into the waves  
Your light has gone  
Your beauty, mind and mem'ry saves  
My sweet mem'ry saves
