

# You Give A Little Love

Paul Williams

We could've been anything  
That we wanted to be  
And it's not too late to change  
I'd be delighted to give it some thought  
May-be you'll agree we really ought  
Two, three, four

We could've been anything  
That we wanted to be  
Yes, that decision was ours  
It's been decided we're weaker divided  
Let friendship double up our powers  
We could've been anything  
That we wanted to be  
And I'm not saying we should  
But if we try it, we'd learn to abide it  
We could be the best at bein' good guys

Flowers of the earth  
Who can even guess how much  
A real friend is worth?  
Good guys, shake an open hand  
May-be trusting  
If we try to understand  
No doubt about it  
It must be worthwhile  
Good friends do tend to make you smile

We could've been anything  
That we wanted to be  
Yes, that decision is ours  
It's been decided we're weaker divided  
Let friendship double our powers

You give a little love  
And it all comes back to you  
(Da da da ra da da da)  
(You know) you gonna be remembered  
For the things that you say and do  
(Da da da ra da da da)
