

Back For a Taste of Your Love

Paul Young

Here I come, I'm comin' for a taste of your love
Here I come, cause I like what you do for me
Little by little, bit by bit, I'm falling in love all over again

Here I come, I'm comin' for a taste of your love
Here I come, just like I did before
Here I come, this time I'm sure

It takes two to make it and I'm sure you can take it again

Here I come, I'm comin' for a taste of your love
Here I come, I'm comin' for a taste of your love

What you've been, just come down on me
You've got the lock, baby, but I've got the key
Little by little, bit by bit, I'm startin' all over again

Here I come, I'm comin' for a taste of your love
Here I come, I'm comin' for a taste of your love
Here I come, I'm comin' for a taste of your love
Here I come, I'm comin' for a taste of your love
