

Gotta Have You (In My Life)

Paul Young

Better days are here to stay
And it's lovin' you makes me feel this way
Answered for something; I can mail my dreams apart
Now that you're here, but all my yesterdays are gone
Ooh, and if you feel the way I do
We're gonna make it, girl

I hear just what you say
And I'm so very glad you feel this way
I knew the moment that I looked into your eyes
Although you turned away, I could see through your disguise
And, yes, I feel the way you do
I know we'll make it

I gotta have you
In my life
Girl
(We're gonna make it)
(We're gonna make it)

I gotta have you
In my life
(We're gonna make it)
(We're gonna make it)

Every time
Your lips touch mine
My heart just keeps on beating out of time
And though the way I feel is more than words can say
I'm not the kind of guy who throws his love away
Oh, but if you feel the way I do
I'm sure we'll make it girl

You know, it isn't easy to explain
But I know I could never feel this way again
Spent my life waiting for the sun to shine
Now I've found [?]
Oh, yes I feel the way you do
We're gonna make it

I gotta have you
In my life
Girl
(We're gonna make it)
(We're gonna make it)

I gotta have you
In my life
(We're gonna make it)
(We're gonna make it)

You, you, you in my life
(We're gonna make it)
(We're gonna make it)

I gotta have you in my life
(We're gonna make it)

(We're gonna make it)

You

In my life

(We're gonna make it)

(We're gonna make it)

You
