

# Until You Come Back To Me

Paul Young

Coz you don't come anymore  
I sit and wait in vain  
I'm gonna knock on your door  
And tap on your window pane  
I wanna tell you baby  
The changes I've been going through  
Missing you missing you  
Till you come back to me  
That's all I'm gonna do  
What did you have to decide  
You had to set me free  
I'm gonna swallow my pride and beg you  
Please baby please see me  
I'm gonna walk by myself just to prove  
That my love is true oh for you baby  
Till you come back to me  
That's all I'm gonna do  
Living for you  
My dear it's like living in a world of constant fear  
Hear my plea I got to make you see  
That our love is dying  
Although your phone you ignore  
Somehow I must explain  
I'm gonna knock on your door  
And tap on your window pane  
I'm gonna keep on your steps  
Until I get through to you  
I'm gonna change your view  
Till you come back to me  
That's all I'm gonna do
