

Your Shoes

Paul Young

Wouldn't wanna be in your shoes
In your shoes

You had to be the one to tell him
He'll never be happy again
We'll have to leave this place
And we'll have to ride the storm
That's looming over us
Just one last endeavour
We'll be together my friend

But I wouldn't wanna be in your shoes
In your shoes
To be the bearer of such sad news
In your shoes
He knew one day that you would have to choose

And when all of this is over
We'll be together again on a sunny day
And they'll be breezing on
And taking all of the chances
So we can be lovers just like before
My friend

But I wouldn't wanna be in your shoes
In your shoes
I'd walk a while with you and share my blues
I know that you have so much to lose
In your shoes
Your shoes

Let's walk a while
Let's talk a while
Let's walk a while

But I wouldn't wanna be in your shoes
In your shoes
I know that you have so much to lose
In your shoes
He knew one day that you would have to choose
In your shoes

Yeah I wouldn't wanna be in your shoes
In your shoes
