

All or Nothing

Paula Cole

Get a grip, on myself, 'cause my unconscious is killing us
She's neglected, subdued, an angry child, holding court

What is it going to be? You gonna make up your mind now?
What is it going to be? Cause it's all or nothing
What is it going to be? You gonna show up and try now?
What is it going to be? It's all or nothing

We sail on, years in, half a lifetime, come and gone
If we want this, we must be brave, speak truth, listen

What is it going to be? I'm waiting on my own life now
What is it going to be? Cause it's all or nothing
What is it going to be? Are we getting inside the car now?
What is it going to be? It's all or nothing

Holding, hurting, surviving
Escaping, failing, humbling
Cause I'm trapped upon this cycle on repeat

What is it going to be? Every day is life or death now
What is going to be? Cause it's all or nothing
What is it going to be? I'm waiting on my own life now
What is it going to be? Cause it's all or nothing
It's all or nothing
It's All Nothing
