

You've Changed

Paula Cole

I've an awful feeling that
This thought that's been a-stealing
Through my brain
Is not to be ignored

But to really tell the truth
Though I'm not a well known sleuth
I honestly believe
That you are bored

You've changed
That sparkle in your eye is gone
Your smile is just a careless yawn
You're breaking my heart
You've changed

You've changed
You're kisses now are so blase
You're bored with me in every way
I can't understand
You've changed

You've forgotten the words 'I love you'
Each memory that we've shared
You ignore every star above you
I can't realize you've ever cared

You've changed
You're not the angel I once knew
No need to tell me that we're through
It's all over now
You've changed
