

# Call It Quits

Paula DeAnda

Oooo

Na, na, na

You got me here cryin', down on my knees  
And the problem is, I don't need anything that you care  
That you care, baby, mmm  
I try and I try to say what's on my mind  
But you don't ever listen, you just do it again, no  
It's been time after time after time after time  
And you don't even get it, no

Baby, you, ooo  
You don't even know what you've done to me  
Baby, you, ooo  
'Cause when you say you love me, it feels dumb to me, baby  
I would rather live my  
I would rather live my life without you  
I swear that I would rather live my  
I would rather live my life without you

And, ooo, I don't wanna fight again  
Ooo, I don't wanna play pretend, oh no  
But this pain, it never ends  
So maybe we should call it quits  
Maybe we should call it quits  
Maybe we should

Think about the times we've been together  
And maybe all this fussin' and fightin' can make us better  
But I don't even know if we can do it, baby  
'Cause every time we try it, you look at me crazy, no no  
I try and I try to say what's on my mind  
But you don't ever listen, you just do it again, no  
It's been time after time after time after time  
And you don't even get it, no

Baby, you, ooo  
You don't even know what you've done to me  
Baby, you, ooo  
'Cause when you say you love me, it feels dumb to me, baby  
I would rather live my  
I would rather live my life without you  
(I'd rather live my life without you, baby)  
I swear that I would rather live my  
I would rather live my life without you  
(Live my life without you)

I don't wanna fight again  
I don't wanna play pretend, oh no  
But this pain, it never ends  
So maybe we should call it quits  
Oh no  
Maybe we should call it quits  
Maybe we should
