

Don't

Paula Fernandes

Don't...
Don't you wish we tried
Do you feel what I feel inside
You know my love is stronger than pride
No, don't let your anger grow
Just tell me what you need me to know
Please talk to me, don't close the door
'Cause I wanna hear you, wanna be near you

Don't fight, don't argue
Give me the chance to say that I'm sorry
Just let me love you
Don't turn me away, don't tell me to go

Don't...
Don't give up on trust
Don't give up on me, on us
If we could just hold on long enough
We can do it
We'll get through it

Don't fight, don't argue
Give me the chance to say that I'm sorry
Just let me love you
Don't turn me away, don't tell me to go

Don't pretend that it's ok
Things won't get better that way
Don't do something you might regret someday
Don't...

We can do it
We'll get through it

Don't fight, don't argue
Give me the chance to say that I'm sorry
Just let me love you
Don't turn me away, don't tell me to go
Oh, Don't...
Don't fight, don't argue
Give me the chance to say that I'm sorry
Just let me love you
Don't turn me away, don't tell me to go...
