

Come Alive

Paulini

I'm not leaving cause of something that you said
You're not the reason I was sinking into emptiness
Breathe in, time for me to chase that dream
I kept forgetting, losing track of who I am
I learned a lesson the hard way but now I'm back
I was blind but I see the horizon ahead

Gonna throw my heart wide open
Can't look back, running forward
I found my voice, I wanna shout it out
Gonna throw my heart wide open
Can't look back, running forward
I found my voice, I wanna shout it out
Come alive, come alive
Come alive, come alive

Now that I'm in it, grabbing every chance I see
There ain't no limit, endless possibilities
Had my doubts, now I finally believe, yeah

Gonna throw my heart wide open
Can't look back, running forward
I found my voice, I wanna shout it out
Gonna throw my heart wide open
Can't look back, running forward
I found my voice, I wanna shout it out
Come alive, come alive
Come alive, come alive

Here I stand, it's do or die now
It's in my hand, I've come alive
Come alive, come alive, come alive

(Come alive) Cause everyone goes through this, it's crazy
(Come alive) I'm just like you, i run away from maybe
(Come alive) I swear you'll make it to the other side
Cause I did and I'm alive, I'm alive
I'm alive, I'm alive
