

Fly

Paulini

(Fly, fly, fly, fly
Fly, fly, fly, fly)
I think I wanna fly, fly, fly, fly
I think I wanna fly, fly, fly, fly

I don't even know
Exactly how I got here, all that I know
Is I don't wanna stay
But I don't know, where I would go
If I could get away

Right now, I just need sometime to myself, for my health
This just, it can't be good
I wish I could just spread my wings and (fly)

Don't really wanna stay and fight, I just (fly)
Don't even wanna run and hide, just (fly)
I wanna rise above it all and (fly)
I just wanna (fly) I wish that I could fly, fly away
I wish that I could fly, fly away
I wish that I could fly, fly away
I wish that I could fly, fly tonight

I tend to be fine
And I'm just gonna go out of my mind
I'm down to the line and it's about time
I start taking care of me

Right now, I just need sometime to myself, for my health
This just, it can't be good
I wish I could just spread my wings and (fly)

Don't really wanna stay and fight, I just (fly)
Don't even wanna run and hide, just (fly)
I wanna rise above it all and (fly)
I just wanna (fly) I wish that I could fly, fly away
I wish that I could fly, fly away
I wish that I could fly, fly away
I wish that I could fly, fly tonight

Try as they might, no they can't understand me
I gotta fight to be all that I can be
Nothing more to say, just wait for the day
When I can spread my wings and fly
(I think I wanna fly
I think I wanna fly)

Don't really wanna stay and fight, I just (fly)
Don't even wanna run and hide, just (fly)
I wanna rise above it and just (fly) and just (fly)
Oh, (fly) don't wanna stay in fighter jets (fly)
Don't wanna run and hide, just (fly)
I wanna rise above it all and (fly)
I just wanna (fly) oh
Fly away
I wish that I could fly away
I wish that I could fly, fly away

I wish that I could fly, fly away
I wish that I could fly, fly away
I wish that I could fly, fly away
I just wanna fly
