Physical

Paulini

Oh, you're walking through the club, like a true Adonis
It's not that I'm in love, not looking for a promise
You're the perfect ten, the kind that I deserve
You make perfect sense, don't need to see your word

I'm ready to get physical
I know you in my zi-ip code
This message is subliminal
I'm ready to get physical
No, no, no, I'm not here to talk that talk
Sh-sh-show me, show me you can walk that walk
No, no, no, I'm not here to talk that talk
Cause boy, I'm ready to get physical

All you gotta do, man up and man the station
I'm getting hypnotized, it's not a conversation
Stay in your lane, know your position
This ain't a game, I'm on a mission

I'm ready to get physical
I know you in my zi-ip code
This message is subliminal
I'm ready to get physical
No, no, no, I'm not here to talk that talk
Sh-sh-show me, show me you can walk that walk
No, no, no, I'm not here to talk that talk
Cause boy, I'm ready to get physical

Physical, physical, physical, physical
Get ready to get physical
I'm ready to get physical
Get ready to get physical
I'm ready to get physical

I'm ready to get physical
I know you in my zi-ip code
This message is subliminal
I'm ready to get physical
No, no, no, I'm not here to talk that talk
Sh-sh-show me, show me you can walk that walk
No, no, no, I'm not here to talk that talk
Cause boy, I'm ready to get physical
Physical, physical
