

# I Fight For You

Pavel Callta

Girl I know you, let me save you,  
Girl you know that I'm the only one who feels the same as you.

Girl I'll trust you, let me hold you,  
Girl we both now inside your heart beating says what you want.

I fight for you, over the hills with you,  
you are the miracle of my life,  
you are the girl of my dream you're the only one.  
I fight for you, over oceans and hills with you,  
you are the miracle of my life,  
you are the girl of my dream you're the only one.

Then day in November, do you still remember,  
Girl you know deep inside your heart beating says what you want  
.

I fight for you, over the hills with you,  
you are the miracle of my life,  
you are the girl of my dream you're the only one.  
I fight for you, over oceans and hills with you,  
you are the miracle of my life,  
you are the girl of my dream you're the only one.

Girl live together, trust love forever,  
come with me to the vanilla sky where the end just begins, I...

...I fight for you, over the hills with you,  
you are the miracle of my life,  
you are the girl of my dream you're the only one.  
I fight for you, over oceans and hills with you,  
you are the miracle of my life,  
you are the girl of my dream you're the only one.
