Cherry Area

Pavement

Hey
You needed 'A' for effort
But I give you a 'Z' for delivery, my friend

You are too late and I need to escape
To my private apartment
And my gross, gross television set

It's new and it's current it's got
New and it's current is hot
Special special director's cut
Just for you, my friend my friend

Blasted concept and my cherry area
Is just a little scary to be around right now
So keep away, my friend

Whoa whoa whoa whoa whoa whoa whoa whoa whoa whoa!
Watch that hand, my friend
You're in a sacred environment
You're in a sacred environment, ya know

I need to go, I need to go, I need to
