

# Fucking Righteous

Pavement

Go go go go go

Well I can see the sun  
I got the minerals  
It's fucking righteous baby

I got the stellar tights  
A ballerina's type  
It's fucking righteous baby, baby

Well I can see the sun  
I got those minerals  
It's fucking righteous baby

We got the jackets flat  
You got to sit in back  
It's fucking righteous baby, baby

Well I can see the sun  
I got the minerals  
It's fucking righteous baby  
Fucking righteous baby, baby

I can see the sun  
Got the minerals  
It's fucking righteous baby, baby

Two one two  
Three three three  
Two two oh six
