

Grave Architecture

Pavement

Come on in...

Grave architecture (2x)

Walk the marble malls [?]

The monuments to those who fall

And it's a pocket less than narco shell-bit

Stiff the crypt and the others are rough

And the hood's so rad

And I'm fucking glad

Glad to see that, know what it means

It takes a lot

Grave architecture (2x)

Stroll past the strip

Is it old? am I clipped?

Am I just a bathtub waiting to be gripped

Or found on shady ground?

And the lampshade's poised on the overwhelm

Drugs, and need the talent to breathe

It takes a lot

Oh yeah, you wanna be like a blind fish

Positive, we're positive - go!

Takes a lock-grip, baby

To put you to war

And I'm pushin' you back than ever [?]

That'll push you hard

It takes em...
