

Oddity

Pavement

There you go alright There you go alright You're not as strong
and you're not as bright And that's alright It's ok, It's alright
It's ok, It's alright oh yeah Well you're hitchin' a ride and
you're hitchin' a ride and you're hitchin' a ride ok

There you go all day There you go all night Lovers run a loveless
struggle That's ok it's alright It's ok it's alright It's ok
oh yeah Well you're hitchin' a ride and you're hitchin' a ride
and you're hitchin' a ride oh yeah

Cause it's an oddity It's true oh yeah Cause it's an oddity It's
true oh yeah Cause it's an oddity It's true oh yeah
