

Saganaw

Pavement

Great
Great seekers of violence
Go away

Oh great
Great seekers of violence
Go away

Are you a cheater in love with your reach?
I know too well the company you keep
'Cause the proof's in the pudding
You never should pray
Unless you believe

Oh great

Great seekers of violence
Go away
'Cause you're the great
Great seekers of violence
Go away

Well, I would like to sag along to Saganaw
With a canvas duffle bag under my arm
'Cause the country songs have blessed me
With influence and power, and truth

Oh hey
