

Sue Me Jack

Pavement

Sue me Jack, sue me
Sue me Jack, sue me, Jack
Sue me, sue me Jack
Sue me Jack, sue me
Sue me Jack, sue me Jack
Sue me, sue me, Jack

I'm, I'm on the west
Left side mile
My silhouette can't be touched
Where you fight
Where you fight
Where you fight
Well I've got rights tonight
Someone's underneath
A knife
Do you want switches [?]
It's fast
It's fast

It's fast
And it's fast
I'm, I'm on the left
Face of my
My silhouette
Can't be touched
Where you fight
Where you fight
Where you fight
Well I've got rights to earn
Everything in sight
It's mine
Faith that broken right
Or up now
Now
Now
