

Don't Rain On Me

Pavlov's Dog

I love to see you, it's better I try
I can't live without you and I don't even know why
I'm not entertaining any more than before
Can't say what I've been through, I can't say what I mean

I love you madly all of the time
And I need you badly all of the time
Don't rain on me
Don't rain on me
Don't rain on
Don't rain on me

(Don't, don't)
(Rain)
(Don't, don't)

Whatever's out there, all over town
All my friends sayin' how you're still foolin' around
And I love to see you (And I love to see you)
And it's better I try (And it's better I try)
I can't live without you and I don't even know why

Don't rain on me
Don't rain on me
Don't rain on
(Don't) Oh, don't rain on me (Rain on)

(Don't rain)
(Don't rain on)
(Don't rain)
(Don't, don't)

I love you madly all of the time
And I need you badly all of the time

(Don't, don't) Don't rain on me (Don't rain on)
(Don't, don't) Don't rain on me (Don't rain on)
(Don't, don't) Don't rain on
(Don't, don't) Oh, don't rain on me
(Don't rain)
(Don't rain on) Don't rain on me

(Don't rain)
(Don't rain on)
(Don't rain)
(Don't rain on)

(Don't rain)
(Don't rain on)
(Don't rain)
(Don't, don't)

(Don't rain)
(Don't rain on)
(Don't rain)
(Don't, don't)
