

God drive

Pay money To my Pain

Dont press out.
Refrain, This song, Respect.
Next door, Over come,
God drive...

Sōzō hakai suru kono shakai
Raretsu to byōsha
Yokuatsu hoyū suru
Mure o nasu People.
Mess around...

Will Stand up, play,
stay loud!
We go to the ground.
Will Stand up, play,
stay loud Go!

Inside me, spread to the world.
And spread to the world...
My side, respect to the world.
respect to the world...

Break down,
Go! Dont press out.
In god drive.
Respect to the world...

Kōsō hakai suru kono sekai
handō to byōsha
zetsubō fuyū suru hitobito no naka ni
Mess around...

Sōzō hakai suru kono shakai
Raretsu to byōsha
Yokuatsu hoyū suru
Mure o nasu People.
Mess around...

Will Stand up, play,
stay loud!
and get your ground.
Will Stand up, play,
stay loud Go!

Inside me, spread to the world.
And spread to the world...
My side, respect to the world.
respect to the world...

This sound! Release!
Fly freely, now...

Dont press out!
Refrain, This song, Respect.
Next door,
So, get your ground.

Will Stand up, play!
stay loud!
Into the world...
