

# Heavenly

Peabo Bryson

Feels like heaven, sweet darling  
(Heavenly)  
Baby, baby, baby  
(Heavenly)  
Heavenly

For the first time I do believe that  
I've been swept off my feet  
In all my life I've, I'd wonder whether  
This would ever be

There's a place where only you could ever take me  
I get lost in your arms  
It's so strong, I am powerless to fight it  
I surrender my life

Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part  
Heavenly, heavenly

I wanna thank you  
You're the reason for all that I am  
'Cause without you I'd be lost, baby  
You're all that I have

There's a place that only you could ever take me  
I get lost in your arms  
It's so strong, I am powerless to fight it  
I surrender my life

Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part

Baby, won't you touch me, feel me  
Until I'm over flowing?  
Let me show you how much  
Your love means to me

Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part

Heavenly is how I feel now that you're inside me  
Since you came and you touched my heart  
Can it be love is real now that you make me see?  
Heavenly, say we'll never part

Heavenly, heavenly  
Heavenly, heavenly  
Heavenly, heavenly  
Heavenly, heavenly
