

# Love From Your Heart

Peabo Bryson

Do you really know the reason for your livin'

Livin' life, movin' much too fast to see  
I'm feelin' like there ain't no reality

But there's a moral to every story  
Every day that we live  
Make a better day tomorrow  
Open up and give

Love from your heart  
Why don't you give me the part  
You're throwin' away, yeah  
Love from your heart  
Why don't you give me the part  
You're throwin' away, yeah

Try, ooh-ooh...  
Somebody's watchin' you  
Whoa, I, I really want you too  
Open up your mind, let somebody in  
Tears may never come again  
Oh-oh...

Livin' hard, tryin' to make a way for me  
I've got a guidin' star, shine the light of love on me

Hey, there's a moral to every story  
Every day that we live  
Make a better day tomorrow  
Open up and give

Love from your heart  
Why don't you give me the part  
You're throwin' away, yeah  
Love from your heart  
Why don't you give me the part  
You're throwin' away, yeah

Try, uh-huh  
Somebody's watchin' you  
Whoa, I, I really want you too  
Open up your mind, let somebody in  
Tears may never come again, no, no  
Hey-hey, yeah, yeah

Ooh-ooh, mmm...  
Ooh-ooh, hey-hey

Do you really know the reason for your livin'  
Chic-a-bum-bum, who  
For your livin'  
Livin' life, movin' much too fast to see  
Hey-hey, whoa-whoa-oh...

Do you really know the reason for your livin'  
Whoa-oh-oh-oh-oh...

For your livin'  
I've got a guidin' star  
Shine the light of love on me  
Hey-hey, yeah  
Do you really know the reason for your livin'  
Whoa-oh, whoa...  
For your livin'  
I've got a guidin' star, well  
Ain't gonna hurt nobody  
Reach on out and touch someone  
Do you really know the reason for your livin'...
