

We Don't Have To Talk (About Love)

Peabo Bryson

Hey, you
You got my whole world in your hands
Baby, tell the truth
Your every wish is my command
Yeah, yeah

We've had our share of hooks
And those, we played the game before
But the best is yet to come
I would always be around

If lovin' me is what you need
When it's all been said and done
We don't have to talk about love
We don't have to talk about love

Heart and soul
You got the very best of me
Baby, to have and hold
All that I ever hope to be
Oh, lady

We've had our share of hooks
And those, we played the game before
But the best is yet to come
I would always be around

If lovin' me is what you need
When it's all been said and done
We don't have to talk about love
I don't wanna talk about love

Lady
Remember my tellin' you
That you're the one
If love should be the way
In ace, it's done
Just as sure I'm standin' here
I can't let go
Not after all these years
You should no

That it's all been said and done
We don't have to talk about love
We don't have to talk about love (baby)
We don't have to talk about love (we don't have to talk about love, baby)
I don't wanna talk about love
I don't wanna talk about love (we don't have to talk about love)
