

Your Lonely Heart

Peabo Bryson

Ooh-ooh, ooh-ooh...

Here you are right by my side
Words cannot express how I feel
Being this close to you
Heaven seems much nearer in your eyes
I wish that I could touch your lonely heart, mmm-mm...

I can see your face and I
I start to trembling all inside
I don't know why, but it's true
We're so close and yet so far away
Wish that I could touch your lonely heart

Open up and let my light inside
I just want to be your friend
Let's forget about the tears we've cried
Darling, I just want to love you
Wish that I could touch your lonely heart

Open up and let my light inside
I just want to be your friend
Let's forget about our foolish pride
Darling, I just want to love you
Wish that I could touch your lonely heart

Heart, heart, heart, your heart

Here we are together now
Wanting you but don't know how
Knowing I care for you
Even if we have to start all over again
Wish that I could touch your lonely heart

So open up and let my light inside
I just want to be your friend, I really do
Let's forget about the tears we've cried
Darling, I just want to love you
Wish that I could touch your lonely heart

Open up and let my light inside
I just want to be your friend
Let's forget about our foolish pride
Darling, I just want to love you
Oh-oh-oh-oh...

Open up and let my light inside
I just want to be your friend, I really do
Let's forget about the tears we've cried
Darling, I just want to love you, oh-oh-oh...

Open up and let my light inside
I just want to be your friend, I really do
Let's forget about our foolish pride

Open up and let my light inside
I just want to be your friend, yes I do

Let's forget about the tears we've cried...
