PEABOD

Hey PEABOD, met you at one of your concerts
And I would love to borrow your truck
Hey PEABOD...
Thanks, call me back

I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional
Voices too loud homie, turn down the vocals
I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional (Uh)
Voices too loud homie, turn down the vocals (Yeah)

It's been a long couple weeks goin' nonstop
I've been dependin' on a drip from my coffee shop
I wanna make some hip-hop on my laptop
But every day people say I should really drop by
Say hi, spend time, meet your guy
Who I'll probably never talk to again in my life, that's fine
That's a lie, man I gotta draw the line
Listen up, I'm only gonna say this one time
I'm turnin' my phone off all day
Facebook knows better than to show face
I'ma spend my time like I got paid
Netflix and a whole lotta Chick-Fil-A
Hey, I'm just tryna be honest
The only people that I envy are Amish
I'm a novice at seeking out solace
But I'll become a pro right now, that's a promise

I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional
Voices too loud homie, turn down the vocals
I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional
Voices too loud homie, turn down the vocals

When I wake up, hard to keep my eyes peeled
Hop in the car, fall asleep at the wheel
I'm out of it, looking like a zombie for real
I don't even know what I think or what I feel
This is me, when I don't take a sabbath
This is me, when rest just ain't a habit
This is me, when I let life just happen
If I don't wear the cap, someone else will be my captain
I meant to read this book called "Essentialism"
Supposed to help you if your calendar is like prison
But I only got two or three chapters in
Before my schedule locked the door to my cell again
This is the problem that I'm facing
Treating time like a clock that I'm racing
All my plans check the peace sign I'm raising
Deuces up 'cause I'm out, don't chase me

I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional
Voices too loud homie, turn down the vocals
I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional
Voices too loud homie, turn down the vocals (Yeah)

I am an extrovert, true
But that doesn't mean that I don't ever need a break too
I am done living my life like we bought a zoo
Got my own animals, don't need to care for yours too
Only ever hear from you
When there's something that you quote unquote "need me to do"
Couldn't see it but I finally got a clue
Ain't responsible for all your crazy animals, I'm through, my dude
Please now, don't take this the wrong way
I still love people like Ye loves Kanye
But every plane gotta land on the runway
I'd rather land than go down yellin' mayday
So I'ma kick it off the grid for a little bit
Skipping every party, it don't matter how lit
Took a rocket, sent my worries into orbit
Until they back on earth I'll enjoy this

I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional
Voices too loud homie, turn down the vocals
I feel a little bit antisocial
This the kinda day I gotta fly solo
Maybe don't talk 'cause I might get emotional
Voices too loud homie, turn down the vocals
