

Big Feelings

PEABOD

Okay, Okay, Okay, Okay, Okay, Okay, Okay, Okay, Okay
Oh! You dig? (yay)
This is a little different vibe that we got here

I think I'm seeing double from the shock I just took to the system
A moment messing round with my Circadian rhythm
Paddles on my chest count to 3 for the jolt
I thought I was an adult now I wish I could bolt
I feel like I'm back in the 6th grade
What changed?
I tried to play a part but then I got played, and they got paid
When I make a friend sometimes I go for the hug
But it gets awkward when you trip because they pulled out the rug

Took a sucker punch that sent me reeling
Now I'm dealing with all these big feelings
The room is spinning and my views are shifting now
Now I'm dealing with these big, big, feelings
I'm feeling, big feelings
I'm feeling, big feelings (yeah)

Uhhh, when was the last time I been outside?
I mean no Bhad Baby "cash me outside"
I'm no Dr. Phil but I know the world is on fire
But I can spit a hot 8 that brings peace through the fire
Ayy I'm goin crazy out my element
My feelings got me tossin' and swerving
My Shawty's element
My soul got me purging these feelings that I'm wrestling with
Confused on what you feel?
Just look to the one that's heaven sent

Took a sucker punch that sent me reeling
Now I'm dealing with all these big feelings
The room is spinning and my views are shifting now
Now I'm dealing with these big, big, feelings
I'm feeling, big feelings
I'm feeling, big feelings

The welcome was chilly, and now I feel silly
They said I'm too giddy, songs are too kiddie
Now I feel dizzy, tryna leave swiftly
But traffic's so busy, I'm stuck in this city
I guess they don't get me, I guess they're real picky
But God don't let my faith in people get too flimsy
The world was so pretty, But now I feel gritty
So God come quickly, 'cause I

Took a sucker punch that sent me reeling
Now I'm dealing with all these big feelings
The room is spinning and my views are shifting now
Now I'm dealing with these big, big, feelings
I'm feeling, big feelings
I'm feeling, big feelings

Took a sucker punch that sent me reeling
Now I'm dealing with all these big feelings

The room is spinning and my views are shifting now
Now I'm dealing with these big, big, feelings
I'm feeling, big feelings
I'm feeling, big feelings
