

Paradise

PEABOD

Na (go get it, yeah)
Na (uh)

This is what I mean by paradise. Very nice
Sweet with a little spice, worth the price
Been around the globe once or twice
I hope to spin thrice
The insight's precise:
Everybody gets a slice!
But heavy is the head
That's always looking side to side
Lose your footing if you try
To steal a bigger piece of pie, baby!
Took a while to realize peace of mind is the realest prize
It's free advice

This is what I mean by paradise (Na na na)
Yeah yeah
This is what I mean by para-
dise (Na na na)
I'm feeling very very nice (Na na na)
Sweet with a little spice (Na na na)
This is what I mean by paradise (paradise) (Na na na)
This is what I mean by

Peace of mind
Yeah I've been sleeping fine
Yeah feeling decent's my brand new agreement
I bet that a lot of us are grinding for spots on the dollar line
But the top is the compromise if you offered up all your time for plastic
People with a couple elastics enthusiastic you should have the classics
Real friends with real love for real life real ones know that

This is what I mean by paradise (Na na na)
Yeah
This is what I mean by (hey) (Na na na)
