

# Blue

Peace

Whatever I need to say I'll say  
Wherever I need to go I'll go, if you stay  
You used to be happy, you used to be you  
Maybe it is me turning you blue

Tell me I'm a fool, tell me I'm too young  
Baby you're so cool, in between two lungs

I feel like I'm dying  
I feel like I'm dying  
I feel like I'm dying, I do

I feel like I'm dying  
I feel like I'm dying  
I feel like I'm dying, I do

Everyone treats you like a king  
Royally pretty when you sing to me  
Everyone's dizzy, everyone's dumb  
Turning you blue, baby it's wrong

Tell me I'm a fool, tell me I'm too young  
Baby you're so cool, in between two lungs

I feel like I'm dying  
I feel like I'm dying  
I feel like I'm dying, I do

I feel like I'm dying  
I feel like I'm dying

I feel like I'm dying, I do

I feel, I feel, I feel like I'm dying, I do  
I feel, I feel, I feel like I'm dying, I do

Blue baby confusing me  
Your slipper soul is bruising me  
Every hurt is healing me  
Sensational, but move the way you feel about it  
You know the things you'd rather see  
Your sunny days have gone and been  
Blue dreaming that I'm standing still but honey  
My stream won't flow downhill

Tell me I'm a fool, tell me I'm too young  
Baby you're so cool, in between two lungs

I feel like I'm dying  
I feel like I'm dying  
I feel like I'm dying, I do

I feel like I'm dying  
I feel like I'm dying  
I feel like I'm dying, I do

I feel, I feel, I feel like I'm dying, I do

I feel, I feel, I feel like I'm dying, I do
