

## Step A Lil Closer

Peace

Step a lil closer  
Pass up the potion  
Got it a lil open  
Feel a little broken

Step a lil closer  
Step a lil closer  
Step a lil closer  
It'll feel alright

Feels like it's over  
It gets a lil better  
Tastes like leather  
You're lighter than a feather

Step a lil closer  
Step a lil closer  
Step a lil closer  
It'll feel alright

Step a lil closer  
Step a lil closer  
Stand a lil closer  
Step a lil closer  
Step a lil closer
