

Chagu's Sideturn

Peach Pit

Why won't you reach me at something
Down low where I'm baby
Cause I'm stuck grabbing at your pant cuff every passing lately

I've noticed that I'm feeling like Chagu
Facedown then up on it again
As without a wait
I'm just like you
Sideturned and ripped as shit again

Rolled me up into this hash joint
Cause I'm too loose, baby
What, with ice
I'll lick to life, boy
On fret, I'm not lazy

I've noticed that I'm feeling like Chagu
Facedown then up on it again
As without a wait
I'm just like you
Sideturned and ripped as shit again

I've noticed that I'm feeling like Chagu
Facedown then up on it again
As without a wait
I'm just like you
Sideturned and ripped as shit again
