

## Drips on a Wire

Peach Pit

Drips on a wire  
Fall in a row  
Having little to no way from their doom  
And exactly are as I feel

Drips on a wire  
Don't fear below  
Out there, shivering, holding nothings doom  
And exactly are as I feel

Honey, I want you like yesterday  
Honey, I'll want you when tomorrow comes

Drips on a wire  
All in a row  
Count them, giving a show with every move  
And they are, everyone, as they ought to be

Honey, I want you like yesterday  
Honey, I'll want you when tomorrow comes  
Honey, I want you like yesterday  
Honey, I'll want you when tomorrow comes

Honey, I want you like yesterday  
Honey, I want you  
Honey, I want you like yesterday  
Honey, I'll want you when tomorrow comes
