

## Techno Show

Peach Pit

I really don't wanna go be at that techno show  
It's not like me to go and watch some guy spin a bass drop

I'm off it though  
And about to say I'm for that bass  
With you here it seems okay for me to be out of place in this dank room  
Man I'm just screwed

I didn't know how to be, and got lit  
Out of my tree  
You saw me there at the back and waved me up to come and dance

I'm off it though  
And about to say I'm for that bass  
With you here it seems okay for me to be out of place in this dank room  
Man I'm just screwed

I'm off it though  
And about to say  
I'm for that bass

I'm off it though  
And about to say I'm for that bass  
With you here it seems okay for me to be out of place in this dank room  
Man I'm just screwed

Then lost it all, in a laugh  
Then Adrienne, lit me up

I've had enough to drink  
To last me til next week  
But it's so dark inside this club I can't see  
How far I'm past done
