

I've Been Bad, Santa

Peach PRC

I've been bad, Santa
Done some things I shouldn't do
Don't be mad, Santa
Oh, I hope you'll still come through

Oh holy night, is playing on the radio
You'd be surprised, the things I've done since you've been gone
So go ahead check your list
I know I'm not getting no gifts
Cos you know I...

I've been bad, Santa
Done some things I shouldn't do
Don't be mad, Santa
Oh, I hope you'll still come through

Yea, I been good for so so long
A little fun never hurt no one
I been bad, Santa
But I'm still waiting up tonight

Don't be shy, come in
Cuz this story's gonna take all night, baby
Let's pour a drink
No no cookies and milk, won't cut it this time
See my name on your list
Let me change your mind with a kiss
Cos you know I...

I've been bad, Santa
Done some things I shouldn't do
Don't be mad, Santa
Oh, I hope you'll still come through

Yea, I been good for so so long
A little fun never hurt no one
Yea, I been bad Santa
But I'm still waiting up tonight
