I spit 'em out I pop bubblegum
I spit 'em out I pop bubblegum
Bubblegum

I chew until they lose flavor
Call me heart and jaw breaker
I look so good on paper till I run out
Get addicted pink fever
I'm artificial sweetener
Rot your teeth, then I leave ya on a comedown

Anime

I'm hard to beat
I'm candy, sweet
You're incomplete
I'm on repeat
I'm hard to beat
I'm candy, sweet
Stuck in your teeth
All trick no treat

Until they lose flavor
Call me heart and jaw breaker
I look so good on paper till I run out
Get addicted, pink fever
I'm artificial sweetener
Rot your teeth, then I leave ya on a comedown
