

## Let U Go

### Peach Tree Rascals

My baby calls but she never gets a hold of me  
She's out the door while I'm sleeping in till three  
But I never wanna let you go, never wanna let you go  
Never gonna let you go  
Why you rushing out the door, baby where you gotta go?  
Won't you stay a little more?  
(What you want, what you want)

Take what you want (what you want)  
Take what you need (what you need)  
Told her I don't need nothing  
You're all I need (you're all I need)  
I'm on another wave  
The smile up on your face  
Yeah, that's my baby, that's my lover  
That my one and that my only, that my  
When I'm feeling lonely, way you get up on me  
I'm at my safest, irreplaceable you are  
And now my Saturdays turn to sadder days  
When you're not around to hold

My baby calls but she never gets a hold of me  
She's out the door while I'm sleeping in till three  
But I never wanna let you go, never wanna let you go  
Never gonna let you go (never gonna let you go)  
Why you rushing out the door, baby where you gotta go?  
Won't you stay a little more?

Okay now  
Don't call me every minute, that shit annoying  
That make me think that you been thinking I ain't being loyal  
Just being honest baby, who gon' love you like this?  
She got my soul, and all she wanted was a hug and a kiss  
Don't be turning nothing into some shit that wasn't  
See if you really trust me there wouldn't be no discussions  
I know you like to dance around the focal point  
I thought you knew me, so let me know if you think don't

My baby calls but she never gets a hold of me  
She's out the door while I'm sleeping in till three  
But I never wanna let you go, never wanna let you go  
Never gonna let you go (never gonna let you go)  
Why you rushing out the door, baby where you gotta go?  
Won't you stay a little more?  
(What you want, what you want)

Now all my ladies (yeah)  
And all my dogs ([\*bark\*])  
Let's clap our hands  
Like we don't give a fuck at all (we don't give a fuck)  
And all my fellas (yeah)  
Get off the walls (get up off the walls)  
Go get your girl  
And shake that thing until you fall (until you fall, until you)

Shake it, shake it, shake it, ah  
Shake it, shake it, shake it, ah

But I never wanna let you go, never wanna let you go  
Never gonna let you go (never gonna let you go)

My baby calls but she never gets a hold of me  
She's out the door while I'm sleeping in till three  
But I never wanna let you go, never wanna let you go  
Never gonna let you go (never gonna let you go)  
Why you rushing out the door, baby where you gotta go?  
Won't you stay a little more?
