

I got burdens on my shoulders, if I fold then they gon' stay  
Half the time, I pass the time, just getting up and out the way  
Used to ditch school do some music get my penny board and skate  
Back when we was talkin' Grammy, we was talkin' 'bout the weight  
Hold up, wait, hold up, wait, stop  
Can we get stans like K-Pop?  
Can we set trends like De-La?  
Never let whities take mine  
Tell 'em I ain't doin what they want  
Roll it up then I face one  
In the background no change up  
Bag in the back, knapsack with the bag on us

I'm soaring high  
Through golden skies  
A reoccurring daydream  
Take your life  
And change your mind  
Imagine all the daisies  
Na, na, na-na  
Na, na, na-na  
Na, na, na-na  
Na, na, na-na

Empty my bank account and risk it all  
Spend all my money on a brand new Rhodes  
Play every chord until my fingers broke  
I gotta have it just to feed my soul

Settle off into open waters  
All alone you're the only author  
Take apart everything they taught ya  
And go live like there's no one other than you

I'm soaring high  
Through golden skies  
A reoccurring daydream  
Take your life  
And change your mind  
Imagine all the daisies  
Na, na, na-na (Ooh, yeah, yeah)  
Na, na, na-na  
Na, na, na-na (Oh, yeah, yeah)  
Na, na, na-na

Na, na, na-na (Seconds minutes hours they go)  
Na, na, na-na (Let my brothers know)  
Na, na, na-na (Got no time for feeling so low)  
Na, na, na-na (Let your worries go)  
Na, na, na-na (Seconds minutes hours they go)  
Na, na, na-na (Let my brothers know)  
Na, na, na-na (Got no time for feeling so low)  
Na, na, na-na (Let your worries go)  
Na, na, na-na (Seconds minutes hours they go)  
Na, na, na-na (Let my brothers know)  
Na, na, na-na (Got no time for feeling so low)  
Na, na, na-na (Let your worries go)
