1. She nursed him there, ooh, over a night

I wasnt so sure she wanted him to stay  
What to say...what to say

R: When she couldnt hold, oh - she folded

A dissident is here

Escape is never, the safest path

Oh, a dissident, a dissident is here

2. And to this day, shes glided on

Always home but so far away

Like a word misplaced

Nothing said, what a waste

When she had contact...with the conflict...

There was meaning, but she sold him to the state

She had to turn around

R: When she couldnt hold...

3. She gave him away when she couldnt hold...no...she folded...

A dissident is here escape is never the safest path

Oh, a dissident, a dissident is here, oh...

Couldnt hold on...she couldnt hold...no...she folded...

A dissident is here

Escape is never the safest place, oh...
