I will light the match this mornin', so I won't be alone

**Emi**

Watch as she lies silent, for soon night will be gone

Oh, I will stand arms outstretched, pretend I'm free to roam

Oh, I will make my way, through, one more day in Hell...

**Emi**

**D**

**Emi**

How much difference does it make

**D**

**Emi**

How much difference does it make, yeah...

I will hold the candle till it burns up my arm

Oh, I'll keep takin' punches until their will grows tired

Oh, I will stare the sun down until my eyes go blind

Hey, I won't change direction, and I won't change my mind

**G**

**D**

**Emi**

How much difference does it make

**G**

**Emi**

Mmm, how much difference does it make...how much difference...

I'll swallow poison, until I grow immune

I will scream my lungs out till it fills this room

How much difference (2x)

How much difference does it make (2x)
