

## Dial Up

## Pears

I never lost my self control  
Til a bit of Jamie stole my soul  
Waterboarded in a wallet dry  
Now I'm sleeping in the street  
On the curb kick up my feet  
Thing that came from up on high  
The thing from Jupiler gets kicks  
Doin' the Mambo #6  
The thing from Jupiler gets kicks  
Mambo #6

A little bit of Tito by myself  
A little bit of Hendrick all alone  
A little bit of Evan til I'm too  
Smashed to drive home

Used to function at 4G  
After 700 hours free  
I'm an AOL free trial CD  
Scratched up, can't read  
I drink a whiskey drink  
I drink a vodka drink

I sing the songs  
That remind me of  
The bad times  
Cause everything  
Reminds me of the  
Bad times

Baby used to function at 4G  
After 700 hours free  
I'm an AOL free trial CD  
Scratched up, can't read

Messages are piling up  
And the dial-up is down

Dale a tu cuerpo  
Alegria Macarena  
Dale a tu cuerpo  
Alegria Macarena

Messages are piling up  
And the dial-up is down  
And I left my Limewire running  
To get Mellencamp's Small Town
