

Partridge

Pears

Never had anything but bad, bad feelings
Falling off all the ripe and reeling

Cynical mess inside an empty bedroom
King came first and I'm the heirloom

A wall plug
Broken bottom prong
Unhappy right where I belong

Rolling down a hill, I'm thick with indecision
Conscience guarded, likely rot in prison
Maintain!

Exchange of second hands a sort of ugly cousin
Partridge in a pear tree I always was and
I remain!

A wall plug
Broken bottom prong
Unhappy right where I belong

Aforementioned sourness aside:
I dug these trenches in which I reside
